Contributor (hereafter "You") agree that the following terms and conditions shall apply to all Contributions made after execution of this Agreement.

A "Contribution" is defined as all source code and related material delivered by You to IBM for incorporation into the IBM_DB Ruby Open Source Project and accepted by IBM, the IBM_DB Ruby Open Source Project.

"Patent Rights" mean patent claims licensable by You which are necessarily infringed by the use or distribution of the Contribution alone or when combined with the IBM_DB Ruby Open Source Project code and/or related materials.

Copyright Assignment. For good and valuable consideration, receipt of which You acknowledge, You hereby assign to IBM joint copyright ownership in the Contribution. You retain joint ownership in the Contribution without restriction. IBM and You will jointly own the Contribution and each shall be free to use, perform, execute, copy, make derivative works of, distribute, sell, license and otherwise transfer the Contribution and derivative works thereof at each party's sole discretion, without any obligation of or accounting to the other. You agree that this assignment may be submitted by IBM to register a copyright in the Contribution.

Representations and Warrantees. You represent the following with respect to each Contribution:

1) that You own, and have obtained sufficient rights in the Contribution to grant all rights necessary for IBM to include the Contribution in an IBM_DB Ruby Open Source Project and/or related materials, including but not limited to the right to use, perform, execute, copy, make derivative works of, distribute, sell, license and otherwise the Contribution; and

2) that You are providing IBM with a written description sufficient to readily identify the Contribution as Yours, You are providing IBM with a list of authors of that Contribution.

Patent Rights and Covenant Not to Sue. You hereby grant a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable patent license to those who use or distribute the Contribution or the Contribution in combination with the IBM_DB Ruby Open Source Project code and/or related materials to which it is contributed, on those patents which are licensable by you and which are necessarily infringed by the Contribution alone or by combination of the Contribution(s) with the with the IBM_DB Ruby Open Source Project code and/or related materials to which it was contributed. You agree not to initiate suit asserting any Patent Rights in the Contribution against those who use or distribute the Contribution or the Contribution in combination with the IBM_DB Ruby Open Source Project code and/or related materials to which it was contributed: (1) only if such use or distribution is for the purpose of implementing the IBM_DB Ruby Open Source Project APIs; and (2) with respect to combinations, only if, at the time the Contribution is submitted by You, the addition of the Contribution causes such combination to be covered by the Patent Rights. Notwithstanding the foregoing, this agreement not to initiate suit by You shall not apply to any party who asserts its own patent rights against You.

Governing Law. This Copyright Assignment shall be governed by the intellectual property laws of the United States of America and the substantive laws of the state of New York applicable to agreements fully executed and performed within the state of New York.

THE CONTRIBUTIONS ARE OTHERWISE PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. IN NO EVENT SHALL THE CONTRIBUTOR BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF OR IN CONNECTION WITH THE CONTRIBUTION OR THE USE OR OTHER DEALINGS IN THE CONTRIBUTION.

Please describe the contribution briefly.

The Contribution consists of the source code and related material that You deliver to IBM and which will be committed into the IBM_DB Ruby Open Source Project source code repository by someone designated by IBM, using a Pull Request ID specific to this Contribution. The Contribution may be updated several times (e.g., for requested additions and improvements) resulting in multiple deliveries and commits using the same Pull Request ID and covered by this same agreement.

Please provide the Pull Request ID here._____
